

## Instructions on "New BAMA Store"

BAMA is pleased to announce a new method of joining BAMA and purchasing goods such as Burgee, PICYA Yearbooks, and Ratings Certificates through Jibeset. Additional goods will be available in the future such as BAMA gear. This is being done since the current process relies on infrastructure that is expiring and to improve the process for members, club management, and club volunteers. For those involved in racing (on the water or race deck) Jibeset is familiar. If you don't have a profile on Jibeset as a racer, you'll need to create one here <https://www.jibeset.net/home01.php> "Register".

Select BAMA membership to register and to purchase goods. <http://www.jibeset.net/BAMA000.php?RG=T039893450>

“Beige” field such as “Burgee Quantity” are required.

If you have a Burgee, or don’t want to purchase at this time, enter “0” for quantity

“Website” and “purchase PICYA Yearbook” are “white” field and optional so no data entry required.

The “Red diamond” doohickey indicates that autofill is off. This ensures current info is entered.

If you don’t yet have a boat, or are between boats, enter “None” or “0” in required “Beige” fields.

Fill out the required info and pay. Fee has been board approved modest increase to cover increased operating costs of transitioning to new IT server and associated costs.

If you don’t intend to race. You’re done!

If you intend to race, Select “Ratings Services” <http://www.jibeset.net/BAMA000.php?RG=T032281863> on the BAMA page of Jibeset “Register” and purchase the appropriate rating. Options for additional boats (including beach cats such as Hobie, Nacra etc) and configurations of a boat (OD, Formula, Light Air, Heavy air etc) are available. Only one rating cert is valid at a time and a change fee to revert to an earlier 2018 certificate is available at minimal cost. This would allow a racer to race in one configuration for a series and another for a regatta (such as RBBS, Nationals etc) and then revert back to series configuration. Only one certificate/configuration per series.

Once you purchase a ratings product, apply for the 2018 rating on the BAMA Ratings site which also has contact info on ratings topics <http://www.sfbama.org/racing/ratings.html>
